

Sponsor a Child!

Give the gift of reading. Create the foundation for success.

Imagination Library provides a new, age-appropriate, hardcover book each month to every child in Greater Duluth from birth to age five – *at no cost to the family!* Books are delivered to children directly to their homes in the mail. No local tax dollars are spent to purchase or mail these books to the young children of our community and there is no cost to the family.

Imagination Library depends upon the support of generous partners like you, who understand the enormous benefit and personal satisfaction of reading. *Donations are tax deductible.*

Help bring a little magic to a child's mailbox each month.
